Company Profile

VISION

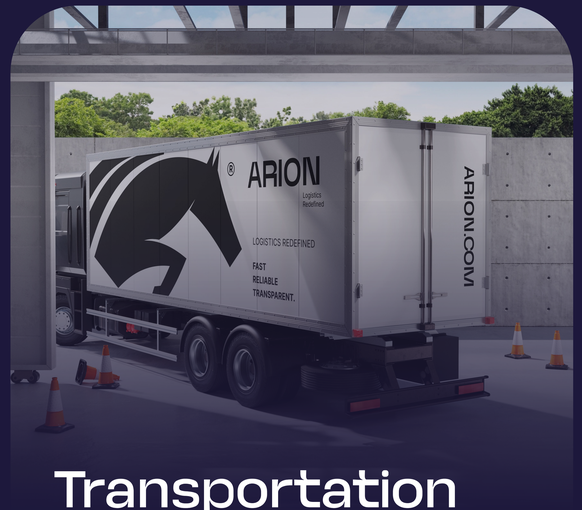

To become the go to supplier for all industrial related chemical supplies and expertise in the Arabian Gulf and **beyond.**

MISSION

Consistently delivering on quality coupled with a service dedicated to excellence.

SERVICES

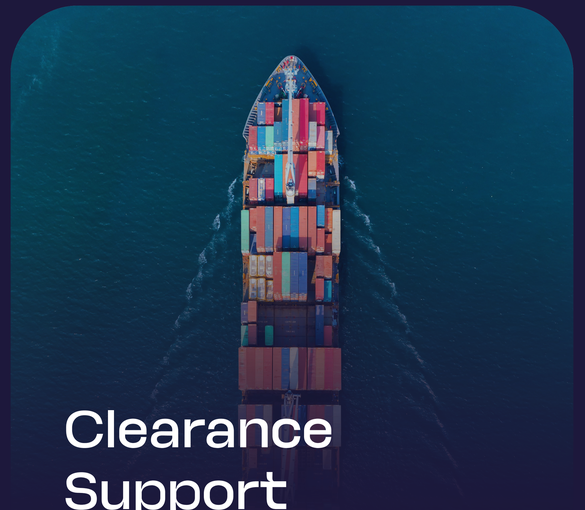

Transportation

With the help of Arion, our logistics arm we provide deliveries to our clients right to their doorstep.

Storage

With our own port located logistics center and warehousing across the Kingdom, we are able to provide storage solutions to our clients tailored to their specific needs.

Clearance Support

With years of experience in clearing chemicals from port, GSTIC offers assistance and advice to companies in importing and clearing their material. With up to date knowledge on Saudi import laws and permits, we ensure that our clients face no trouble with importing the material

Inventory planning

We work closely with our customers to plan their forecasting and flag the best timing to issue POs and avoid disruptions.

INDUSTRIES AND CHEMICALS

01 Soap & detergent

- Potassium Hydroxide Flakes
- Sodium Hydroxide (Caustic Soda) Flakes and Prills
- Soda Ash Dense and Light
- Sodium Sulphate Anhydrous
- Sodium Chloride
- Sodium Silicate
- EDTA 4NA
- SLES
- LABSA
- Optical Brightener
- Sodium Percarbonate
- CMC
- Coloured Speckles
- STPP
- Zeolite
- Glycerine
- Ethanol
- STEPANTEX
- Pine Oil
- Sodium Hypochlorite
- Chlorine Gas
- Hydrochloric Acid HCL
- Boric Acid
- Borax
- Formaldehyde
- Acetic Acid
- Diethanolamine (DEA)
- Monoethylglycol MPG
- Alpha Olefin Sulfonate (AOS)
- Cocamide DEA
- Fragrances
- Benzalkonium Chloride
- Sulfamic Acid
- Citric Acid
- Sodium Citrate

02 Water Treatment

- Aluminum Sulfate ($Al_2(SO_3(_4)$
- Sodium Nitrite
- Hydrogen Peroxide
- Potassium Permanganate
- Sodium Bicarbonate
- Sodium Tripolyphosphate STPP
- Sodium Hexametaphosphate SHMP
- TCCA %90
- Calcium Hypochlorite %70
- Activated Alumina
- Ion Exchange Resins
- Polyaluminum Chloride (PAC)
- Ferric Chloride
- Ferric Sulfate
- Calcium Hypochlorite / TCCA
- Sodium Metabisulfite
- Sodium Bisulphite
- Hydrochloric Acid
- Caustic Soda
- Industrial Salt

INDUSTRIES AND CHEMICALS

03 Glass Industry

- Soda Ash Dense
- Sodium Nitrate
- Sodium Nitrite
- Barium Carbonate
- Potassium Carbonate
- Sodium Silicate
- Chromium Oxide
- Cobalt Oxide
- Selenium Powder

04 Paper Industry

- Corn Starch
- Aluminium Sulphate
- Zinc Oxide
- Hydrogen Peroxide

05 Food and Feed Industry

- Citric Acid
- Ascorbic Acid (Vitamin C)
- Benzoic Acid
- Sorbic Acid
- Sodium Benzoate
- Potassium Sorbate
- Xanthan Gum
- Carrageenan
- Monosodium Glutamate (MSG)
- Potassium Sorbate

06 Oil and Drilling

- Soda Ash
- Potassium Chloride
- Potassium Carbonate
- Barite
- CMC
- Caustic Soda Flakes
- Calcium Nitrate
- Sodium Silicate
- Hematite
- Magnetite
- Micromax-Manganese Tetroxide
- Calcium Carbonate Flakes
- Water Wetting Surfactant

07 Construction Chemicals

- Microsilica (Silica Fume)
- Fly Ash
- Silane modified polyurethane resin based
- Concrete Admixture Additive
- Adhesive
- Surface treatment
- Protective Coating
- Sodium Gluconate
- Sodium Naphthalene Powder
- Sodium/Calcium Lignosulphonate
- Polycarboxylates (PCE)
- Defoamer
- Biocide
- Corrosion Inhibitor

INDUSTRIES AND CHEMICALS

07 Construction Chemicals	08 Fertilizers	09 Solvents	
Drilling agent	Urea	Acetone	Perchloroethylene
Hydration Stabilizers	Urea Phosphate	Ethanol	Trichloroethylene
Superplasticizers (SNF &PCE)	Ammonium Sulphate	Methanol	
	Ammonium Polyphosphate	Isopropyl Alcohol (IPA)	
	Monoammonium Phosphate (MAP)	Ethyl Acetate	
	Monopotassium Phosphate (MKP)	Butyl Acetate	
	Potassium Nitrate	MEK	
	Calcium Nitrate	MIBK	
	Magnesium Nitrate	N-Butanol	
	Potassium Sulphate	Toluene	
	NPK Fertilizers	Xylene	
	Boric Acid	White Spirit	
	Borax	Solvent Naphtha	
	Zinc Sulphate	Heptane	
	Copper Sulphate	Hexane	
	Magnesium Sulphate	Methylene Chloride	

WHY WORK WITH US

- Customer centric approach
- 13 years chemical industry knowledge
- Long term partnership vision
- One stop shop
- 20 years of supply chain expertise
- Community and region focused
